

Disco::Disco

PanoramicPoint::Panoramic
Point

Entertainment::Entertainment

```
graph LR; A[Disco::Disco] --> C[Entertainment::Entertainment]; B[PanoramicPoint::Panoramic Point] --> C;
```

The diagram illustrates a relationship where two distinct entities, 'Disco::Disco' and 'PanoramicPoint::Panoramic Point', both point to a single target entity, 'Entertainment::Entertainment'. The arrows indicate a directed association or mapping from the left-hand boxes to the right-hand box.
